Re: Civil Action No. 12-CV-01260 MCA/KBM  
Jan Green v. Warden Joe Chavez, et.al.

New Mexico QuickCare, LLC (NMQC) provided Valencia County Detention Center (VCDC) access to an independent, licensed nurse practitioner to provide limited medical services on a part-time basis to (VCDC) during the time period of 2008-2010. This provider, Julianna Stangel, was fully independent, and NMQC acted only as a billing and administrative agent to facilitate these services. NMQC did not provide medical oversight to Ms. Stangel. Ms. Stangel and NMQC did not provide mental health services during this time period, as these were provided to VCDC by other contracted parties. NMQC ceased operations in September 2010, and is no longer an operating business entity.
